Mission

To exceed customer expectations by tailoring our services and products to fit customers' current requirements, while anticipating their future needs. We accomplish this by putting at clients' disposal our core resources of global technical expertise, finances, as well as quality management systems.

Pictorial References for Sample projects

Project: Construction of Huey II Hanger Facility, KDF, Manda Bay, Kenya	
Client : CADG East Africa	Location : Manda Bay, Lamu county, Kenya
Contract Duration :Feb 2019 to April 2020	Project Contract Value : USD, 680,000.00

Our Hospitality line of business is guided by the following principles:

Dignity for Staffs

Heavy investment in facilities and technology notwithstanding, we know deep within that our staffs are our greatest assets. We thus endeavor to maintain an environment that ensures that our staffs feel appreciated. This, coupled with continuous staff development programmers have ensured loyalty, trust and team spirit.

Consistent Quality

We have an internal manual that spells out how our guests must be served, right from the moment they set their foot at the door, to the moment they leave. By sticking to this procedure, and delivering our services with a kind and genuine interest in our guests, we endear ourselves to our customers even more.

Customer Loyalty

We believe that if we remain loyal to our customers, they too, will remain loyal to us. We thus ensure adherence to the highest standards of service delivery and taking the time to ensure that our customers are happy with our services.

Conference Facilities

Aven Premier International Hotel is a convenient and quiet environment for holding both social and corporate events. CONSTRUCTION

COMPANY PROFILE

Introduction

AVEN PREMIER INTERNATIONAL - API is a leading multi-dimensional business entity that delivers high quality and affordable solutions to customers in Somalia and wider East Africa with necessary financial, managerial support from our liaison office based in Middle East and Europe.

API provides high quality security solutions operating under license issued by the Ministry of Internal Security for the Government of Somalia.

MISSION STATEMENT

To be the most reputable provider of High-quality Security Service to our customer and employee so can feel safe and secure at all times Our carefully selected Operations Management Team are both comprised of national and international experts who understand the Somalia environment, particularly the security challenges in businesses and corporate sectors.

VISION STATEMENT

To be leading Private Security Company that provide high Quality Security Service and meet international Standard of Security Service.

OUR CORE VALUES:

- ✦ Integrity
- ✦ Accountability,
- ✦ Professionalism
- ✦ Reliability

GENERAL OVERVIEW

API security company provides comprehensive and tailored protective services, logistics, procurement as well as high net-worth clients, diplomatic missions and international organizations operating in high-risk, volatile, hostile, and complex environments.

OUR COMPETITIVE ADVANTAGE

Well-established in the private security and corporate sectors with on-the-ground knowledge of high-risk areas of operation.
Access to a network of tried and trusted manufacturers that allow us to offer a wide variety of solutions to match budgets and lead times.
Reliable and experienced logistics partners to ensure service delivery in the most challenging environments.

OUR SECTORS AND AREAS OF OPERATIONS

Provision of Armed Guard Security Service

API has a well trained and experienced security workforce. We provide Static Guarding, Specialized Guarding and Patrolling Guards In our designs, we typically combine the above categories, to fit the risks and the actual requirements for the specific site. Each contract is unique, tailored to the customer's need.

Specialized Security Vehicles - Armored Car Hire

We provide a wide range of armored security vehicles and security personnel to serve as bodyguards, and to secure your premises, people and assets. We protect your assets from intruders, guard the premises, search persons entering your building, and examine high-risk areas for hidden explosives.

Close Protection Services

Our Close Protection Officers are always around the client and will do everything in their power to ensure the safety of the client. The client vehicle is normally escorted with another vehicle carrying armed guards for backup. The security escort services are provided through highly trained guard force, having full knowledge of offensive and defensive driving techniques and geared up to face any situation.

Our operatives will act out of professionalism and devotion to their principals and will always go to their assistance when they are depended on despite any danger or difficulty. They will strive to the best of their ability to fully and successfully complete all that is required of them according to instructions, company regulations and their spirit.

Other Security Services Include: Support/escort missions in difficult environments, Electric & Razor Fencing

Our Clients

Bulletproof vests, General Security Equipment & PPEs

With a varied network of suppliers, we offer a wide range of equipment to support all types of operations. We are able to find the equilibrium of price, quality and delivery time to match our clients' needs. We offer a wide selection of body armor and protective gear to keep our customers safe from unforeseen eventualities. We couple this with our vast experience of operating in Somalia to guide our clients in their movement through hostile territories.

CCTV Surveillance Cameras Systems

We provide surveillance system and security camera installation services. Our high-end systems cater for your residential and commercial property surveillance needs at an affordable price. Throughout the years, API Security Solution has persistently provided cutting edge technology within the areas of Access Control, Building Management Systems and Closed-Circuit Television (CCTV). Our versatile security systems are adapted by our experienced IT specialists to meet your specific security needs.

24 Hour Customer Service

Our customer service representatives are always available around the clock for your convenience. Our guards are always monitored and supervised by experienced security team. Any security challenges are always reported to management immediately for prompt action.
